Mr. Sam A. Jaffe

Bethesda, Maryland 20034

Dear Mr. Jaffe:

Mr. Bush asked that, as an interim reply, I respond to the second paragraph in your 26 April letter to him. In light of the unique circumstances of your request, particularly the media allegations about you, it seems appropriate to state on behalf of the CIA that our official records provide no indication that you have ever been an employee or agent of CIA.

Sincerely,

/s/ B C. Evans,

B. C. Evans
Executive Secretary
